## Summary

Rohan Jain is a Project Leader at Boston Consulting Group (BCG). In his tenure at BCG so far, he has worked on a variety of projects in the Industrial Goods domain, across strategy and implementation. His experience ranges from topics related to overall operational transformation of large plants across the value chain and reduction in direct material costs using Design to Value principles to enabling the clients in their digital transformation journey. He also holds experience in driving Go-To-Market Sales excellence.

He holds a Bachelors in Computer Science from Indian Institute of Technology, Kanpur, India and an MBA from Indian Institute of Management, Ahmedabad, India. He also holds a Masters in Management degree from EBS Business School, Germany.

In his free time, Rohan likes to maintain an active blog on Quora and a travel blog on Instagram. He has ~110K followers on Quora with more than 40 Mn views on his content so far.

Rohan has also authored a fiction novel "The Promises We Made", which has been featured in the Times of India, Millennium Post and Femina Magazine with raving reviews.
